*Just unbelievable are the waters of Alekoki  
The rain adorns the highlands, settling upon Nu‘uanu*

*I'm overcome with cold waiting there  
I had mistakingly assumed, your thoughts dwell on me*

*I am the one you captivated, You cast your spell, I succumbed  
I reserved myself for you, at your request*

*I gaze upon the beauty, the blossoms of Mauna‘ala  
The tale is told in the refrain, of the waters of ‘Alekoki*
