Hay, where did we go

the days when the days rains came

Verse 2:

Whatever happened

Tuesday and so slow

Verse 3:

So hard to find my way

Now that I'm on my own

Down in the hollow

playing a new game

Going down to old mine

with a

transistor radio

I saw you just the other day

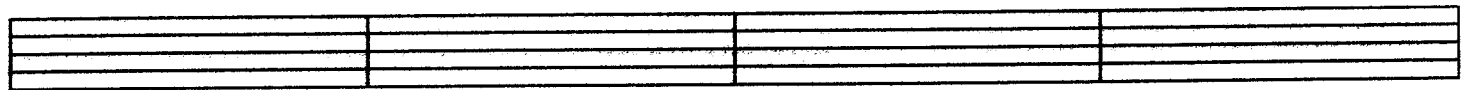

my, how you have grown

Laughing and a running hay, hay,

skipping and a jumping

Standing in the sunlight laughing

hide behind a rainbows wall

Cast my memory back there lord

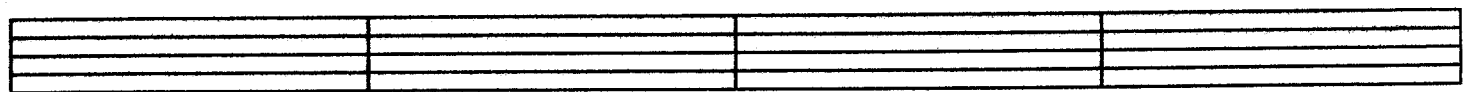

sometimes I'm overcome thinking 'bout it

In the misty morning fog

with our hearts a thumping'

Slipping and a sliding hay, hay,

all along the waterfall

Making love in the green grass

behind the stadium
