

# Enjoy Yourself

Artist: Guy Lombardo

C C C  
You work and work for years and years, you're always on the go

G7 G7 G7 C  
You never take a minute off, too busy makin' dough

C C C7 F  
Someday, you say, you'll have your fun, when you're a millionaire

F C Dm7 G7 C  
Imagine all the fun you'll have in your old rockin' chair

## Chorus

C C C G7  
Enjoy yourself, it's later than you think

G7 G7 G7 C  
Enjoy yourself, while you're still in the pink

C C C7 F  
The years go by, as quickly as a wink

F C Dm7 G7 C  
Enjoy yourself, enjoy yourself, it's later than you think

You're gonna take that ocean trip, no matter, come what may  
You've got your reservations made, but you just can't get away  
Next year for sure, you'll see the world, you'll really get around  
But how far can you travel when you're six feet underground?

Your heart of hearts, your dream of dreams, your ravishing brunette  
She's left you and she's now become somebody else's pet  
Lay down that gun, don't try, my friend, to reach the great beyond  
You'll have more fun by reaching for a redhead or a blonde

## Enjoy Yourself Page 2

You never go to nightclubs and you just don't care to dance;  
You don't have time for silly things like moonlight and romance.  
You only think of dollar bills tied neatly in a stack;  
But when you kiss a dollar bill, it doesn't kiss you back.

You love somebody very much You'd like to set the date  
But money doesn't grow on trees So you decide to wait (Foolish Fellow)  
You're so afraid that you will bite off More than you can chew  
Don't be afraid, you won't have teeth When you reach ninety two.

You worry when the weather's cold, You worry when it's hot.  
You worry when you're doing well, You worry when you're doing not.  
It's worry, worry all of the time, You don't know how to laugh.  
They'll think of something funny When they write your epitaph.

Enjoy yourself, it's later than you think  
Enjoy yourself, while you're still in the pink  
The years go by, as quickly as a wink  
Enjoy yourself, enjoy yourself, it's later than you think
