

FLYIN'

Intro: C /// F /// C /// F ///

C / // F // / Cmaj7 ///
Flower leis, yellow, white and purple strands
F / / / Am /// D7 / / / Dm / // G7 ///
Woven like the many days and countless ways we held our hands.
C / // F / // Cmaj7 ///
Here we are, standing at an airport gate,
F / // Am / // D7 / // Dm / // G7 ///
All those wishes on a star, that missed so far, we'll have to wait.

F /// E7 / / / Am /// D7 / / / Dm7 ///
Going, like an ebb tide flowing, like a tradewind blowing,
G7 / / / F / -G7 / C ///
Soon you will be far across the sea.
F /// E7 / / / Am /// D7 / / / Dm7 ///
Flyin', soon you will be flyin', like a tear drop drying,
G7 / / / F / // C /// F /// G7 ///
Leaving just a memory.

C / // F / // Cmaj7 ///
Misty eyes, looking many miles away,
F / / / Am /// D7 /// F / // G7 ///
No time left to analyze, apologize, no more to say.
C / // F / // Cmaj7 ///
Stay a while, linger just a minute more,
F / // Am / // D7 // / F / // G7 ///
Let me see that winning style, that little smile you always wore.

F /// E7 / / / Am /// D7 / / / Dm7 ///
Flyin', soon you will be flyin', like a tear drop drying,
G7 / / / F /// C ///
Leaving just a me - mory.
F /// E7 / / / Am /// D7 / / / Dm7 ///
Flyin', soon you will be flyin', like a tear drop drying,
G7 / / / F /// C /// F /// G7 /// A
Leaving just a me - mory.
