

I'LL REMEMBER YOU

D F#m
I'll remember you,
G A7 D B7
Long after this endless summer has gone,
G Gm
I'll be lonely, oh, so lonely,
D7 D, F#m, G, A7
Living only to remember you.

D F#m
I'll remember you,
G A7 D B7
Your voice as soft as a warm summer breeze,
G Gm G
Your sweet laughter, mornings after, Oooh,
A7 D
I'll remember you.

D7 G
To your arms someday,
E7 A7
I'll return to stay, till then

D F#m
I'll remember you,
G A7 D B7
Every bright star we made wishes upon,
G Gm G
Love me always, promise always, Oooh,
A7 D
You'll remember, too.
