This is a love song
For you my sweetheart.
My pawehe mat that glides on the skin.
I am here waiting for you,
My kahelelani lei.

From god there is life
For both of our bodies.
For you my sweetheart,
Answer me with your love,
Answer with your love.

We both are up at pali'uli,
Looking towards the sun set.
Don't forget me of my love for you,
My kahelelani lei.

This ends my story
For you my beloved sweetheart.
The feeling of the Na'ulu wind
Makes me think of you,
My kahelelani lei.
