SURROUND ME WITH LOVE

^{G/4} Sometimes when love's piercing arrows
^{C/8} shoots me to the ground
^{D7/8} Dreams come falling down, friends
^{D7/4} just can't be found
^{G/4} I don't worry, I don't wonder, I
^{D7/8} know what to do
^{G/4} I don't go crazy, I just go for you ^{D7/4}

(CHORUS)

^{G/4} Surround me with love
^{G7/4} I need you beside me
^{C/4} I want you to hold and hide me
^{G/4} When this world is closing in on me ^{A7/4}
^{G/4} Surround me with love I know I can ^{D7/8}
^{C/4} make it
^{C/4} What ever comes you know I can take ^{C/4}
^{G/4} it
^{G/4} Just as long as you, surround me ^{D7/4}
^{G/4} with love ^{D7/4}

^G We can't say what comes tomorrow
^C What the future holds
^{D7} What lies down the road, heaven only
^{D7} knows.

^G But, one thing I know for certain
^C One thing that is true
^{D7} One thing I'm sure of is I need you ^{D7}
