Drop Baby Drop – Never Forget medley

A/4 C#m/4 Bm/4 E7/4

My heart does the tango, with every little move you make

I love you like a mango, 'cause we can make it everyday

2X { **I want you to drop baby, drop baby, drop, drop all your love on me**
Drop baby, drop baby, drop, drop 'cause I'm hungry

My nights would be so lonely, if ever you should choose to go

I'd live just like a zombie, with very little love to show

2X { **I want you to drop baby, drop baby, drop, drop all your love on me**
Drop baby, drop baby, drop, drop 'cause I'm hungry

Honey Baby

I saw you there standing under the mango tree

A beautiful woman who looked so fine to me

She had all the things that I've been searching for

She had 'ehu hair, a flower in her ear, and bongo shorts

Chorus ("Honey Baby")

She's my honey baby, my honey baby yeah,

My honey baby, my honey baby yeah...

Girl I want you to know that wherever you go I won't be far away

'Cause I kiss your lips while you sway your hips, you'll just hear me say

(repeat Chorus "Honey Baby")
