Grand is Hanalei in the pouring rain
Making the moss of Manu'akepa slick
It is there that I saw
Things that made me tingle
Beloved the sands of Puarose
Wetted by the spray of the sea
Finally 've witnessed the beauty
Grand is Hanalei in the pouring rain

Famous indeed is the rain of Hanalei
Sweeping along the cliffs
To be joined with the laua'e fern
Like a sweetheart cuddling in embrace
The sea murmurs softly
As though it were saying
You and I should be together again
Like the famous pouring rains of Hanalei
