This night, here I am with you
 This night, I have returned
 Long has been my journey on the road
 Searching for a place in this world

I understand now, and truly know
 Where home is, here in my heart
 I've returned and now I know

G/A D7/A C/B
 'A'ole au e 'auana hou
 G/A D7/A G/A D7/A
 Ke maopopo he Hawai'i au

I shall never wander again
 When I understand I am a Hawaiian
