You're like a chief, I am a subject  
I'm under the power of your word

I stay and I cook for you  
Like a servant for all your needs

You, though are totally unaffectionate  
To these eyes that wink at you

Do express some softness there  
The 'amakihī has fragile bones

This is a pillar of strength  
The tether is squeaking now

Tell the story in the refrain  
You are like a chief, I a subject
