

## **'Io - by: Nathan Aweau**

'Io she watches, perched up high. Protecting kamali'i  
(children) with a watchful eye.

Unconditional Aloha (love), she teaches all. 'Cause  
Grandma's pu'uwai (heart) lives on and on.

Chorus:

Fly 'Io fly.....spreading your wings kilakila (majestically).  
Touching the skies, touching our souls. You're here by  
my side.....

'Io she sits by Akua's (God) side. Singing himene's  
(hymnals) and singing out loud.
