Here I am my beloved in the lofty uplands  
In the freezing rain of Lilinoe in the cold of Mauna Kea

I weep pained by my beloved  
I weep pained by love

Your love is a choice piece of tapa to cover my body, that I cherish in my heart  
The loving memories bring me warmth on lonely nights without you

I was awakened by a dream on a moonlit night  
It was a glimpse of my beloved, a vision that brought pain to my heart

Hamakua is beautiful with its lehua groves beautiful on the face of the cliffs  
It was there that we met, my love is yours forever
