I do love you with all my heart

Here I am, awaiting
Where indeed could my love be?
Here I've been searching
And found you my beloved
The desire of the heart is appeased
We are ever sealed
Your precious love, my dear
I shall always wear like a lei
For you alone is my desire (your desire is for me)
And only for you (only me)
And your love is mine to forever cherish
You are mine to hold dear
You are mine like a precious lei
