I recall the thoughts of this flower  
A lehua blossom that gently touches the skin  
This deep-felt love is captured  
Who is the one that will care for you?

From the soft bristles to the fragrant nectar  
The fragrance kissed by the 'Ōlauniu wind  
It is at the very top that this flower can be seen  
The flower that is placed high in my thoughts

Cherished is this lehua blossom by many birds  
Let us be together within the love that has no boundaries  
This little lehua nectar-drinking bee will protect you  
The desire to drink of this nectar just wells up inside

I search here and there for the righteous path  
Perhaps the meeting of the two of us is a good thing  
The lehua blossom that stands out in the deep forest  
There is only one flower that I will hold close to my heart

Let the story be told of the love for this flower  
The lehua blossom that gently touches the skin  
Caressed by the 'Ōlauniu wind  
It is at the very top of the mountain that we will be together
