Kaua'i is adorned with the mokihana  
Entwined with the maile,  
Cherished close to the heart

Alaka'i appears at the summit of Wai'ale'ale  
Bedecked with the clouds

Here we are in the coolness of Kapa'a  
The jostling of the waves,  
the flirting of the sweetheart

My story has been told  
Kaua'i is adorned with the Mokihana
