## Backup vocals

Sweet and lovely  
Is the maile's  
fragrance  
A delightful odor  
That clings to the  
bosom

May we linger happily  
You and I  
With the sweetness  
that captivates  
Your fluttering heart

Surely I have won  
You for my own  
Love endures with us,  
stirring, animating  
A soothing sensation  
within, hey hey

This ends my song  
Of the maile's  
fragrance  
Which breathes from  
The leis of my love  
and me
