

Radio Hula

^C He aha nei ^{C7} hana a ^F ka ^C radio
^{G7} A ka nui manu a'e li'a mau nei ^C

What is the radio doing
 That so entices the flocks of birds

^C Ua hana ^{C7} 'ia oe me ka no'eau ^F
^{G7} Na ka 'ili puakea piha akamai ^C

You were crafted with skill
 By the fair-skinned ones, so smart

^C Me he ala nō e 'ī mai ana ia'u ^F
^{G7} E kiss mālie 'oe, e ke aloha ^C

It's as though you were saying to me
 Kiss gently, oh my love

^C Nāna i ho'ohui nā 'ailana ^F
^{G7} 'Ike 'ia 'o Hawai'i nō e ka 'oi ^C

That one has united all the islands
 It's known that Hawai'i is the best

^C Ha'ina 'ia mai ana ka puana ^F
^{G7} Be still, mālie 'oe, e ke aloha ^C

Let the story be told in the song
 Be still, be calm, my love

By Lizzie 'Alohikea, in the 1920s.
