**You and I, you and I, you and I**

Where are you, Sanoe, you who dampens the young lehua leaf buds  
Here I am waiting for your voice

Only you, only you, you are the one I’ve gone and grown with  
Only you, only you see the deeds of love for you and I

Where are you, O love, the medicine that causes growth in the body  
You and I were there together in the peaceful atmosphere of Wailana

Iosepa my beloved home  
Green and verdant the leaves of your sprouts
