You are entranced by the sight
 You'll be delighted to obtain
 A treasure cherished by the parents
 Embraced and held dear, precious
 No flaws indeed
 It is there you shall fish
 The bait is truly of great importance
 To get it snagged upon your hook

chorus:
 Teasing, teasing
 (Your laughter resounds)
 Teasing, teasing

When you make your catch
 Your main task is to bind and secure it
 And if you are clumsy, it will get away
 The throbbing pangs of the heart will go
 to waste
 Here comes that other fisherman
 Your hooks may become entangled
 But real skill will be displayed
 And it will be secure with you
